To the Directors of Alexandra Community Health Centre

We have audited the accompanying financial statements of Alexandra Community Health Centre, which comprise the statement of financial position as at March 31, 2018, and the statements of operations, changes in net assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Centre's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Centre's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Independent Auditor's Report (continued)

#### **Opinion**

In our opinion, the financial statements present fairly, in all material respects, the financial position of Alexandra Community Health Centre as at March 31, 2018, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

March 31, 2018

#### 1. Nature of operations

Alexandra Community Health Centre (the "Centre") is a not-for-profit society incorporated under The Societies Act of Alberta providing medical and social services to residents in Calgary. A significant amount of the Centre's funding is provided by annual grants from Alberta Health Services, Calgary Homeless Foundation, and Alberta Health.

The Centre is a registered charity and is therefore exempt from the payment of income taxes under Section 149(1) of the Income Tax Act.

The financial statements do not include the financial activities of the Homeless Housing Society of Calgary (see note 14).

#### 2. Significant accounting policies

These financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations. The significant policies are detailed as follows:

#### Use of estimates

The accounting standards for not-for-profit organizations require management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Items subject to significant management estimate include the useful life and recoverable value of tangible capital assets, obligations under rental lease agreement, and accrued liabilities. Management reviews its estimates annually based on current available information.

#### Cash

Cash includes cash in bank accounts and petty cash on hand.

#### Tangible capital assets

Purchased tangible capital assets are recorded at cost. Contributed tangible assets are recorded at the estimated fair value at the date of contribution to the extent that fair value can be reasonably estimated.

Tangible capital assets are amortized over their estimated useful lives using the straight-line method at the following rates:

Furniture and fixtures 5 years
Computers 2 years
Clinic equipment 5 years
Leasehold improvements Length of lease
Mobile health buses 5 years
Vehicles 3 years

March 31, 2018

#### 2. Significant accounting policies (continued)

#### Tangible capital assets (continued)

Tangible capital assets are tested for impairment whenever events or changes in circumstances indicate that an asset can no longer be used as originally expected or its carrying value may not be fully recoverable. An impairment loss is recognized when and to the extent that management assesses the future useful life of an asset to be less than originally expected.

#### Revenue recognition

The Centre follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Contributions restricted for capital asset expenditure are deferred and amortized to revenue on the same basis as the related depreciable tangible capital assets are amortized.

#### Leases

An operating lease is a lease where substantially all the benefits and risks incidental to ownership of the property are not transferred to the Centre.

Lease rentals under operating leases are included in the determination of excess of revenue over expenses over the lease term on a straight-line basis.

#### **Financial instruments**

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are subsequently recorded at fair value. All other financial instruments are recorded at cost or amortized cost, unless management has elected to record at fair value.

Transaction costs related to financial instruments measured at fair value are expensed as incurred. For all other financial instruments, the transaction costs are added to the carrying value of the asset or netted against the carrying value of the liability and are then recognized over the expected life of the instrument using the straight-line method. Any premium or discount related to an instrument measured at amortized cost is amortized over the expected life of the item using the straight-line method and recognized in the statement of operations.

The Centre records cash, restricted cash, investments, restricted investments, accounts receivable, and accounts payable and accrued liabilities at amortized cost.

Financial assets measured at amortized cost are assessed for indications of impairment. When there is an indication of impairment indicating a significant adverse change in the expected timing or amount of future cash flows from the financial asset, an impairment loss will be recognized in the statement of operations. The reversal of a previously recognized impairment loss on a financial asset measured at amortized cost is recognized in the statement of operations in the year the reversal occurs.

March 31, 2018

#### 2. Significant accounting policies (continued)

#### **Donated material and services**

Each year volunteers contribute a number of hours which support the delivery of the Centre's programs. Due to the difficulty of determining or otherwise estimating these hours, and the fact that these services are not otherwise purchased, contributed services are not quantified and recognized in these financial statements.

Donated goods are recorded as both revenue and expense when the fair market value is reasonably determinable and they would normally be purchased and paid for by the Centre, if not donated.

#### 3. Restricted cash

Restricted cash balances are comprised of cash balances externally restricted for specific programs in the amount of \$501,849 (2017 - \$808,124) and funds internally restricted by the Board of Directors of \$119,524 (2017 - \$369,289). See note 13.

#### 4. Investments

At March 31, 2018, the Centre's investments consisted of Guaranteed Investment Certificates with an interest rate of 2.00% per annum, maturing December 2018 (2017 - 1.25% per annum, maturing February 2018).

#### 5. Restricted investments

Restricted investments include \$585,000 (2017 - \$585,000) restricted by the City of Calgary for the purpose of funding the Dental Health Program (see note 11) and \$112,200 (2017 - \$110,487) to guarantee credit cards as required by the bank.

At March 31, 2018, the Centre's restricted investments consisted of Guaranteed Investment Certificates with interest rates of 0.85% to 2.00% (2017 - nil% to 0.95%) per annum, maturing between February 2019 and March 2019 (2017 - between August 2017 and February 2018).

#### 6. Accounts receivable

Included in accounts receivable is \$33,766 (2017 - \$81,393) of government remittances recoverable.

March 31, 2018

7. Tangible capital assets					2018	_	2017
	Cost	_	Accumulated Amortization	_	Net Book Value	_	Net Book Value
Furniture and fixtures Computers Clinic equipment	\$ 316,942 573,882 160,755	\$	82,283 479,053 82,394	\$	234,659 94,829 78,361	\$	171,691 81,348
Leasehold improvements Mobile Health Buses Vehicles	 1,103,731 728,116 295,925		433,821 728,116 268,157		669,910 - 27,768		606,170 26,305 57,651
	\$ 3,179,351	\$	2,073,824	\$	1,105,527	\$	943,165

During the year, the Centre has written off assets with a net book value of \$77,377 (2017 - \$nil) as they were no longer in use. Accordingly, the related deferred contribution has been taken into revenue in the line item amortization of deferred contributions related to tangible capital assets (see note 10).

#### 8. Obligation under rental lease agreement

The Centre has entered into a new lease agreement for renting office space with an effective date of August 1, 2017. However, the Centre also has a commitment with respect to the previous office space, the contract for which expires on December 31, 2018. As a result, the costs of meeting the obligation under the previous office space contract exceeded the economic benefits expected to be received under it. Accordingly, in 2017, a provision of \$154,597 was recorded for such costs, of which \$75,849 remains outstanding.

9. Deferred contributions		2018	2017
Donations Others Alberta Health Project grants Alberta Health Services United Way City of Calgary Government of Canada Youth Education Fund Alberta Medical Association	\$	5,433,815 \$ 592,672 418,378 319,500 137,267 105,249 89,975 32,121 10,854	3,149,046 17,351 702,875 263,299 - 115,842 121,739 - 10,854 4,468

Balance, end of year	\$	816,726 \$	1,018,050

#### 11. Externally restricted contributions for Children's Dental Health Program

In 2013, the Centre received a contribution in the amount of \$585,000 from the City of Calgary for the purpose of funding the Centre's Children's Dental Health Program. The original principal of the grant is required to be maintained intact, though both the City of Calgary and the Centre have the right to demand repayment of the grant with six months' notice. The grant has an original term of ten years. Unless the Centre is in default of its obligations under the grant, after the ten year term expires, the grant will automatically be renewed for another ten year term. The grant will continue to be renewed for successive ten year terms unless the Centre defaults on its obligations under the grant or the agreement is terminated by either party.

The interest income generated from the grant is to be used to fund the ongoing lifecycle costs and expenses for the Centre's Children's Dental Health Program. Any interest which is not used to fund the Children's Dental Health Program is required to be reinvested into the grant principal. As at March 31, 2018 all the income generated from the grant has been used to fund the program.

#### 12. Fundraising expenses

As required under Section 7(2) of the Alberta Charitable Fundraising Regulation, the following amounts are disclosed:

	 2018	 2017
Amounts paid as remuneration to employees whose principal duties involve fundraising Total direct expenses for soliciting contributions	\$ 63,294 42,426	\$ 5,693 56,821

#### 13. Internally restricted net assets

The Board of Directors internally restricted the surplus of \$369,289 for the year ended March 31, 2017 for the purchase of leasehold improvements and other equipment regarding the relocation of central operations to the new leased space (note 8). During the year, the Centre spent \$249,765 of the restricted amount on capital expenditures.

March 31, 2018

#### 14. Related party transactions

The Homeless Housing Society of Calgary (the "Society") is an organization incorporated under the Societies Act (Alberta) and is considered a controlled society of the Centre as the Society is under common management on account of rent paid for clients of the Centre.

The Society is not consolidated in these financial statements. Balances of the Society for the year ended March 31 is presented below:

	_	2018 (Unaudited)	_	2017 (Unaudited)
Total assets Total liabilities	\$ _	547,735 (86,824)		454,296 (91,823)
	<u>\$</u>	460,911	<u>\$</u>	362,473
Contributed by the Centre Revenues	\$	1,380,600 1,228,483	\$ -	1,496,550 1,098,776
		2,609,083		2,595,326
Expenses	_	(2,510,646)	_	(2,602,584)
Excess (deficiency) of revenues over expenses	\$	98,437	\$	(7,258)

Contributions to the Society by the Centre in the fiscal year ended March 31, 2018 amounted to \$1,380,600 (2017 - \$1,496,550) and are included in the statement of revenue and expenses as program expenses. These transactions are in the normal course of operations and are measured at the exchange amount; which is the amount of consideration established and agreed to by the related parties.

March 31, 2018

#### 15. Financial instruments

The Centre is exposed to various risks through its financial instruments. The following analysis provides a measure of the Centre's risk exposures and concentrations at March 31, 2018.

#### (a) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Centre's main credit risks relate to its cash, accounts receivable and investments. The Centre mitigates its exposure to credit risk by placing its cash with major financial institutions and by investing in low risk securities consistent with the Centre's investment policy, designed to manage the risk of its portfolio of investments. Accounts receivable has no significant concentration of credit risk with any one party. As such, credit risk is considered low.

#### (b) Liquidity risk

Liquidity risk is the risk that the Centre will encounter difficulty in meeting the obligations associated with its financial liabilities. The Centre is not exposed to significant liquidity risk as a majority of its investments are not held for long term periods of time, and it is the Centre's policy to retain sufficient cash to fund its current obligations.

#### (c) Market risk

Market risk is the risk that the fair value or expected future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Centre is mainly exposed to interest rate risk.

#### (i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Centre is not exposed to significant interest rate fluctuations, except through the interest earned on its investments in guaranteed investment certificates.

#### 16. Commitments

The Centre has commitments under various property and vehicle operating lease commitments over the next five years are as follows:

2019	\$ 634,790
2020	649,599
2021	681,830
2022	650,150
2023	659,701
